General Order No. }18, Series 1862

The Following pertains to those participants who will be camping within the confines of the mixed camp. Two maps of the area outlining both location, and separation of the Brigades within that area have been attached to this dispatch.

I. It should be noted that the MIX Camp is divided into two sections: Infantry on the East Side and Artillery and Cavalry on the West side. The East, or Infantry, side is on private property. The unloading here is for cars only (no trailers). Both entrance and exit are directly off of Battlefield road. For the Artillery, Cavalry, and any other vehicles pulling trailers, the participants will pull into the main park entrance. The two parts of the MIX camp are separated by the park boundary fence, with an open gate in the middle. Logistics, by necessity, are located along the boundary fence, on the west side, on Park property. Detailed directions follow:

II. ALL MIX Campers

From Registration (American Legion Hall)

Turn Right on US 150 and drive about .2 miles and turn left on North Jackson Street/Battlefield Road/KY 1920.

III. Cars Only – Infantry – MIX Camp

Turn right on Battlefield Road (the same way you came, towards town) and drive about 1.4 miles. Turn right onto Hayes-May road. Follow the gravel road (passing by the Confederate Camp on your left) about .6 miles and turn right onto Hayes-May road (at the Michigan Marker). Follow Hayes-May road about .6 miles and turn right onto Whites Road ("T" intersection).
